Re: Collin County Project Funding Assistance Program: City of Celina 2014
Application Reallocation of Funds

Dear Mr. Durham,

During the 2014 Project Funding Assistance Program cycle, the City of Celina was awarded \$300,000 to purchase 20 acres for the Light Farms Regional Park. Due to the death of the property owner who was going to dedicate the adjacent land, the City is no longer able to complete this transaction.

The City of Celina is requesting to reallocate these funds to a similar project. The City has a contract in hand to purchase 30.778 acres adjacent to the 70 acres it purchased in 2013 at the Parks of Wilson Creek.

The cost of this land is \$984,896.00.

For the 2014 application, the City was to use land dedication for the matching funds. For this this reallocation of funds, the City has cash on hand to use as matching funds.

Thank for your time and consideration. Please feel free to contact me with any additional questions.

Sincerely,

Mike Foreman
City Manager
