MEMO

To: Collin County Court Judge, Keith Self; Ramona Luster, CC GIS
From: Mayor Patti Harrington
CC: Collin County Commissioners; Susan Coffey
Date: July 14, 2015
Re: City of Weston Street Name Change Details

Background:

In 2013, letters were mailed to City of Weston residents informing them of Weston's plan to rename Collin County roads within city limits. The letter also asked for suggestions for the new road names.

After the City Council conferred on the various suggestions, I consulted with the Celina Postmaster and with Collin County GIS Coordinator, Ramona Luster, to rule out any difficulties they foresaw with the choices. The Council subsequently approved the road name changes with Resolution (R-2015-04-02) as permitted by Local Government Code.

We recognize the effort required by those who are affected by road/address changes and have expressed that and our appreciation to our residents in the letter sent to them. We have had no negative response to the address changes from Weston residents. It is my understanding that a Collin County policy, which has existed since the early 1990s, provides for naming a County Road coming in or out of a municipality with the same name as that of the municipality's street name. I am unaware of any change in this policy.
