

CIP Project R-12-04 Maxwell Creek Road

Existing 4-Lane Road (McCreary)

Existing 2-Lane Road (Maxwell Creek)

Existing 4-Lane Road (Dewitt)

Construct the remaining West 2-lanes of Maxwell Creek

The Maxwell Creek Road project will complete the west 1/2 of Maxwell Creek Road from the City limits of Sachse/Murphy/Wylie to Ranch Road in Sachse. Currently, this corridor is a 4-lane road to the north (McCreary Road in Murphy/Wylie) and a 4-lane road to the south (Dewitt Road in Sachse). The updated project budget for the entire project is \$2,200,000.00. Per the 2012/2013 cost estimate, the City of Sachse is respectfully requesting participation from Collin County at the sum of \$588,000.00. The City of Sachse will manage and deliver the design and construction of the project.
