

COLLIN COUNTY

Construction and Planning
4600 Community Ave.
McKinney, Texas 75071

To: Judge Keith Self

From: Bill Burke

Date: 10-05-15

Subject: Prior Approval – To Advertise for Bid Plans and Specifications for 900 Park Blvd.

This request is to allow the County to advertise revised DryTec plans and specifications dated December 16, 2013, based on a company completing the finish work at the 900 Park Blvd Building in Plano. Once the waterproofing contractor completes the interior waterproofing scope the successful bidder of these plans complete the project per the Architect's design. Window replacement and waterproofing have already been performed under a separate contract.

Thank you for your consideration

Judge Keith Self
