Dear Collin County Property Owner:

The Collin County Rural Addressing Office is proposing to change the following road name in your area, for consistency with the City of Nevada 9-1-1 addressing.

This effort, in coordination with the City of Nevada, the Nevada Fire Department, the Collin County Sheriffs Office, and the Nevada Post Office is intended to facilitate both 9-1-1 emergency response and mail delivery.

The Rural Addressing Office will make this request on the Collin County Commissioners Court agenda for October 26, 2015. The scheduled court date is subject to change – for the latest agenda notice, go online to www.co.collin.tx.us/commissioners_court/commcourt_agenda.jsp.

Do NOT begin making any changes now.

Upon approval of changes by the Commissioners Court, a letter will be sent to you confirming the following correction on ABS A0673 JAS OSGOOD SURVEY, SHEET 1, TRACT 86.

from: 7510 COUNTY ROAD 593

to: **333 EUGENE LN**
NEVADA, TX 75173

After approval the telephone company, the Collin Central Appraisal District, your emergency service dispatcher, and your post office will also be notified of the change in the 9-1-1 database. Mail to the old address will continue to be delivered for one year.

This address correction will be effective immediately after the Commissioners Court approval – you will receive a letter that week confirming the address change approval.

Property deeds are not affected by a change in address - even though the deed may reference a physical address, the legal description is the permanent property identifier.
