**Re:** Change to the Collin College Fiber Sharing Agreement

---

The Information Technology department is requesting the Commissioners Court to approve a change in the terms of the fiber sharing agreement with Collin College to reflect their utilization of unused fiber strands owned by the county. The use of these strands will reduce the annual maintenance agreement between the county and the college by the per mile cost and will reduce county maintenance cost by \$2000 per year.

This cost is budgeted as part of the FY16 maintenance plan.
