Subject: RE: IFB 2015-268 Mowing and String/Tree Trimming

My recommendation for the Parks/Open Space portion would be EcoCutter.

Subject: IFB 2015-268 Mowing and String/Tree Trimming
Importance: High

I have attached a copy of the tabulation sheet on the above IFB, as well as the reference responses that were returned to me. Please review and advise if you have any questions.

I believe that Gary will enter the E-Agenda with his recommendation for Public Works' portion since most of the mowing contract will be his departments'; however, I would appreciate if Jeff and Dan would send me an email with a recommendation on their part of the contract so that I can attach that to the E-Agenda as well.

Thank you all very much.
