RE: Toxicology bid specifications

Please award the bid for Testing: Postmortem Toxicology, IFB No. 2015-286 to National Medical Services (NMS Labs) the sole bid received.

The provider is required to be accredited by the Texas Department of Public Safety and have the certifications listed below:

CLIA
CAP
ABFT
ASCLD-LAB

These certifications are required so that we receive the highest quality services possible. NMS is our current provider and we have not had any issues.

If there are further questions do not hesitate to contact me.
