Re: Investment Report – 3rd Quarter (FY 2015)

On June 30, 2015, total invested operating, non-operating, and capital project funds of Collin County had a market value of \$428,371,473. As required by Collin County's Investment Policy and in accordance with Government Code 2256, all investments were made with the following objectives in order of priority. First, the safety of the principal and maintenance of adequate liquidity were given the highest consideration. Second, diversification was accomplished by investing county funds into five separate investment pools (LOGIC, Texas Class, Texas TERM, TexPool and TexSTAR), as well as by purchasing Certificates of Deposit, Federal Agency, US Treasury, and Municipal Bonds.

The weighted average maturity (WAM) for investments was 0.605 years, and yield to maturity (YTM) was 0.427%, which compares to 3.391 WAM and 0.428% YTM for prior year 3rd quarter.

During the FY15 3rd quarter, our overnight pools experienced a seasonal decrease from the prior quarter by \$67,919,564, due primarily to the timing of property tax receipts, while increases in value were reflected as follows: Certificates of Deposit, including "ICS" Federal Insured Cash Account, increased by \$16,109,652; and Federal Agency, US Treasury and Municipal Bonds increased by \$1,021,782.

Bond investment activity consisted of seven bonds called, and five bonds purchased. The total interest earned for all investments during this quarter totaled \$453,383.

Attached is our Collin County Quarterly Investment Report which consists of a Statement of Investment Position, a Summary Statement by Group, Investment Details, and Schedules of Investments by Fund.

Jeffrey May, County Auditor
