Re: Roof Recover
Minimum Security Prison
Collin County, Texas

Mr. Griffin:

Duro-Last will be an acceptable manufacturer for the subject project as long as their system will be installed in strict compliance with our specifications. This statement does not in any way provide approval of the specifications, product data and other documents submitted as a part of this substitution request as our specifications will govern and our approval of submittals will take place after contract award.

Substitution requests for other manufacturer's systems need not be submitted if they comply with the specifications for this project.

Sincerely,

Thomas E. Brand
