Ms. Judy Florence,

Stone Hart Tree Farm would like to make a donation of 150 trees to Myers Park. The trees can be selected by your staff from the remaining Live Oak, Red Oak, Shumardy Oak, Chinkapin Oak, and Burr Oak and they range from 15 gallon to 40 Gallon containers.

This donation is estimated at \$15,000.

We are excited to make this donation for the enjoyment of Myers Park visitors for decades to come.

Let me know when a good time fits for your staff to pick up the trees at the tree farm location in Honey Grove.
