TO: Commissioners Court

FROM: Tracy Homfeld, P.E., Assistant Director of Engineering

SUBJECT: Resolution in support of the FM 2551 from FM 2514 to FM 2170 Widening Project.

See attached Resolution affirming the Court's support of the FM 2551 from FM 2514 to FM 2170 Widening Project. Collin County, along with its consultant, CP&Y and TxDOT are working through the Environmental Re-evaluation process. We held a meeting of affected property owners in Lucas on May 3rd. This resolution will be added to the meeting input affirming the courts continued support of the project. TxDOT anticipates receiving a Finding of No Significant impact this summer which will allow the consultant to proceed with final design.
