WHEREAS, there are presently outstanding certain obligations of Collin County, Texas (the "County"), described on Schedule I attached hereto and incorporated herein by reference for all purposes (collectively, the "Refunded Bond Candidates"), which are secured by and payable from ad valorem taxes levied, assessed and collected, within the limit prescribed by law, on property within the County in an amount sufficient to pay principal of and interest on such bonds as they become due; and

WHEREAS, it is intended that all or a portion of the Refunded Bond Candidates shall be designated as Refunded Bonds (as hereinafter defined) in the Pricing Certificate (as hereinafter defined) executed under this order and shall be refunded pursuant to this Order and the Pricing Certificate; and

WHEREAS, Chapter 1207, Texas Government Code, as amended ("Chapter 1207") authorizes the County to issue refunding bonds for the purpose of refunding or defeasing the Refunded Bonds in advance of their maturities, and to accomplish such refunding or defeasance by depositing directly with a paying agent for the Refunded Bonds (or other qualified escrow agent), the proceeds of such refunding bonds, together with other available funds, in an amount sufficient to provide for the payment or redemption of the Refunded Bonds, and provides that such deposit shall constitute the making of firm banking and financial arrangements for the discharge and final payment or redemption of the Refunded Bonds; and

WHEREAS, the County desires to authorize the execution of one or more escrow agreements in order to provide for the deposit of proceeds of the refunding bonds and, to the extent specified pursuant hereto, other lawfully available funds of the County, to pay the redemption price of the Refunded Bonds when due; and

WHEREAS, upon the issuance of the refunding bonds herein authorized and the deposit of funds referred to above, the Refunded Bonds shall no longer be regarded as being outstanding, except for the purpose of being paid pursuant to such deposit, and the pledges, liens, trusts and all other covenants, provisions, terms and conditions of the orders authorizing the issuance of the Refunded Bonds shall be, with respect to the Refunded Bonds, discharged, terminated and defeased; and

WHEREAS, the Commissioners Court of Collin County (the “Commissioners Court”) hereby finds and determines that the issuance and delivery of the refunding bonds hereinafter authorized is in the public interest and the use of the proceeds in the manner herein specified constitutes a valid public purpose; and

WHEREAS, the Commissioners Court hereby finds and determines that the refunding contemplated in this Order will benefit the County by allowing it to restructure its debt and providing a present value savings in the debt service payable by the County, and that such benefit is sufficient consideration for the refunding of the Refunded Bonds; and

WHEREAS, in addition to the refunding bonds, the Commissioners Court intends to issue bonds to finance improvements within the County which the Commissioners Court determines are necessary; and

WHEREAS, the improvement bonds hereinafter authorized were duly and favorably voted, as required by the Constitution and laws of the State of Texas, at an election held in the County, on November 6, 2007; and

WHEREAS, at said election, the following are among the purposes and amounts of the bonds which were authorized, reflecting any amount previously issued pursuant to such voted authorization, the amount therefrom being authorized to be issued pursuant to this Order, and the balance that remains unissued after the issuance of the bonds herein authorized, to-wit:

### SECURITY FOR THE BONDS

#### Section 2.01. Tax Levy for Payment of the Bonds.

(a) In order to provide for the payment of the debt service requirements on the Bonds, being (i) the interest on the Bonds and (ii) a sinking fund for their payment at maturity or a sinking fund of two percent (2%) per annum of the original principal amount of the Bonds (whichever is greater), there is hereby levied for the current year and each succeeding year thereafter, while the Bonds or interest thereon remain outstanding and unpaid, an ad valorem tax on each one hundred dollars valuation of taxable property within the County, at a rate sufficient, within the limit prescribed by law, to pay such debt service requirements, full allowance being made for delinquencies and costs of collection.

(b) The ad valorem tax thus levied shall be assessed and collected each year against all property appearing on the tax rolls of the County most recently approved in accordance with law, and the money thus collected shall be deposited as collected to the Interest and Sinking Fund.

(c) Said ad valorem tax, the collections therefrom, and all amounts on deposit in or required hereby to be deposited to the Interest and Sinking Fund are hereby pledged and committed irrevocably to the payment of the principal of and interest on the Bonds when and as due and payable in accordance with their terms and this Order.

(d) To the extent the County has available funds which may be lawfully used to pay debt service on the Bonds and such funds are on deposit in the Interest and Sinking Fund in advance of the time the County Commissioners are required to set a tax rate for any year, then such tax rate which otherwise would be required to be established pursuant to subsection (a) of this Section may be reduced to the extent and by the amount of such funds then on deposit in the Interest and Sinking Fund.

(e) If the liens and provisions of this Order shall be discharged in a manner permitted by Article XI, then the collection of such ad valorem tax may be suspended or appropriately reduced, as the facts may permit, and further deposits to the Interest and Sinking Fund may be suspended or appropriately reduced, as the facts may permit.

## ARTICLE III

### AUTHORIZATION; GENERAL TERMS AND PROVISIONS REGARDING THE BONDS

Section 3.01. Authorization. The County's bonds to be designated "Collin County, Texas, Limited Tax Refunding and Improvement Bonds, Series 2016," or such other title as may be specified in the Pricing Certificate, are hereby authorized to be issued and delivered in accordance with the Constitution and laws of the State of Texas, including Chapters 1207 and 1371, Texas Government Code, as amended, and Chapter 331, Texas Local Government Code,

as amended. The Bonds shall be issued as set forth in the Pricing Certificate (i) in an aggregate principal amount not to exceed \$2,300,000 to acquire and improve land for park and open space purposes, including joint county-city projects and to pay the costs of issuance of the Bonds and (ii) in an aggregate principal amount not to exceed \$2,400,000 for the purposes of refunding the Refunded Bonds and to pay the costs of issuance of the Bonds. The total principal amount of the Bonds to be issued shall not exceed \$4,700,000.

Section 3.02. Date, Denomination, Maturities, Numbers and Interest.

(a) The Bonds shall be dated the Dated Date as set forth in the Pricing Certificate, shall be in fully registered form, without coupons, in the denomination of \$5,000 or any integral multiple thereof, and shall be numbered separately from one upward or such other designation acceptable to the County and the Paying Agent/Registrar.

(b) The Bonds shall mature on February 15 in the years and in the principal amounts set forth in the Pricing Certificate:

(c) Interest shall accrue and be paid on each Bond, respectively, until the payment of the principal amount thereof shall have been paid or provided for, from the later of the Dated Date, unless otherwise provided in the Pricing Certificate, or the most recent Interest Payment Date to which interest has been paid or provided for at the rates per annum for each respective maturity specified in the Pricing Certificate. Such interest shall be payable semiannually commencing on February 15, 2017, or such other date specified in the Pricing Certificate, and on each August 15 and February 15 thereafter until maturity or prior redemption. Interest on the Bonds shall be calculated on the basis of a 360-day year composed of twelve 30-day months.

Section 3.03. Medium, Method and Place of Payment.

(a) The principal of, premium, if any, and interest on the Bonds shall be paid in lawful money of the United States of America as provided in this Section.

(b) Interest on the Bonds shall be payable to the Owners whose names appear in the Register at the close of business on the Record Date; provided, however, that in the event of nonpayment of interest on a scheduled Interest Payment Date, and for 30 days thereafter, a new record date for such interest payment (a "Special Record Date") will be established by the Paying Agent/Registrar if and when funds for the payment of such interest have been received from the County. Notice of the Special Record Date and of the scheduled payment date of the past due interest (the "Special Payment Date," which shall be at least 15 days after the Special Record Date) shall be sent at least five business days prior to the Special Record Date by United States mail, first class postage prepaid, to the address of each Owner of a Bond appearing on the books of the Paying Agent/Registrar at the close of business on the last business day next preceding the date of mailing of such notice.

(c) Interest on the Bonds shall be paid by check (dated as of the Interest Payment Date) and sent by the Paying Agent/Registrar to the person entitled to such payment, United States mail, first class postage prepaid, to the address of such person as it appears in the Register or by such other customary banking arrangements acceptable to the Paying Agent/Registrar and

the person to whom interest is to be paid; provided, however, that such person shall bear all risk and expenses of such other customary banking arrangements. At the option of an Owner of at least \$1,000,000 principal amount of the Bonds, interest may be paid by wire transfer to the bank account of such Owner on file with the Paying Agent/Registrar.

(d) The principal of each Bond shall be paid to the person in whose name such Bond is registered on the due date thereof (whether at the maturity date or the date of prior redemption thereof) upon presentation and surrender of such Bond at the Designated Payment/Transfer Office.

(e) If a date for the payment of the principal of or interest on the Bonds is a Saturday, Sunday, legal holiday, or a day on which banking institutions in the city in which the Designated Payment/Transfer Office is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not a Saturday, Sunday, legal holiday, or day on which such banking institutions are authorized to close; and payment on such date shall have the same force and effect as if made on the original date payment was due.

(f) Unclaimed Payments shall be segregated in a special escrow account and held in trust, uninvested by the Paying Agent/Registrar, for the account of the Owners of the Bonds to which the Unclaimed Payments pertain. Subject to Title 6 of the Texas Property Code, Unclaimed Payments remaining unclaimed by the Owners entitled thereto for three years after the applicable payment or redemption date shall be applied to the next payment or payments on the Bonds thereafter coming due and, to the extent any such money remains after the retirement of all outstanding Bonds, shall be paid to the County to be used for any lawful purpose. Thereafter, neither the County, the Paying Agent/Registrar, nor any other person shall be liable or responsible to any Owners of such Bonds for any further payment of such unclaimed moneys or on account of any such Bonds, subject to Title 6 of the Texas Property Code.

#### Section 3.04. Execution and Initial Registration.

(a) The Bonds shall be executed on behalf of the County by the County Judge and County Clerk of the County, by their manual or facsimile signatures, and the official seal of the County shall be impressed or placed in facsimile thereon. Such facsimile signatures on the Bonds shall have the same effect as if each of the Bonds had been signed manually and in person by each of said officers, and such facsimile seal on the Bonds shall have the same effect as if the official seal of the County had been manually impressed upon each of the Bonds.

(b) In the event that any officer of the County whose manual or facsimile signature appears on the Bonds ceases to be such officer before the authentication of such Bonds or before the delivery thereof, such manual or facsimile signature nevertheless shall be valid and sufficient for all purposes as if such officer had remained in such office.

(c) Except as provided below, no Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit of this Order unless and until there appears thereon the Certificate of Paying Agent/Registrar substantially in the form provided in this Order, duly authenticated by manual execution of the Paying Agent/Registrar. It shall not be required that the same authorized representative of the Paying Agent/Registrar sign the Certificate of Paying

Agent/Registrar on all of the Bonds. In lieu of the executed Certificate of Paying Agent/Registrar described above, the Initial Bond delivered on the Closing Date shall have attached thereto the Comptroller's Registration Certificate substantially in the form provided in this Order, manually executed by the Comptroller of Public Accounts of the State of Texas or by his duly authorized agent, which certificate shall be evidence that the Initial Bond has been duly approved by the Attorney General of the State of Texas and that it is a valid and binding obligation of the County, and has been registered by the Comptroller.

(d) On the Closing Date, one Initial Bond representing the entire principal amount of the Bonds, payable in stated installments to the Representative or its designee, executed and registered as provided above, approved by the Attorney General of Texas, and registered and manually signed by the Comptroller of Public Accounts of the State of Texas, will be delivered to the Representative or its designee. Upon payment for the Initial Bond, the Paying Agent/Registrar shall cancel the Initial Bond and deliver to DTC on behalf of the Underwriter registered definitive Bonds as described in Section 3.10(a). To the extent the Paying Agent/Registrar is eligible to participate in DTC's FAST System, as evidenced by agreement between the Paying Agent/Registrar and DTC, the Paying Agent/Registrar shall hold the definitive Bonds in safekeeping for DTC.

#### Section 3.05. Ownership.

(a) The County, the Paying Agent/Registrar and any other person may treat the person in whose name any Bond is registered as the absolute owner of such Bond for the purpose of making and receiving payment of the principal thereof and premium, if any, thereon, for the further purpose of making and receiving payment of the interest thereon (subject to the provisions herein that interest is to be paid to the person in whose name the Bond is registered on the Record Date), and for all other purposes, whether or not such Bond is overdue, and neither the County nor the Paying Agent/Registrar shall be bound by any notice or knowledge to the contrary.

(b) All payments made to the person deemed to be the Owner of any Bond in accordance with this Section shall be valid and effectual and shall discharge the liability of the County and the Paying Agent/Registrar upon such Bond to the extent of the sums paid.

#### Section 3.06. Registration, Transfer and Exchange.

(a) So long as any Bonds remain outstanding, the County shall cause the Paying Agent/Registrar to keep at the Designated Payment/Transfer Office a register (the "Register") in which, subject to such reasonable regulations as it may prescribe, the Paying Agent/Registrar shall provide for the registration and transfer of Bonds in accordance with this Order.

(b) The ownership of a Bond may be transferred only upon the presentation and surrender of the Bond at the Designated Payment/Transfer Office of the Paying Agent/Registrar with such endorsement or other evidence of transfer as is acceptable to the Paying Agent/Registrar. No transfer of any Bond shall be effective until entered in the Register.

(c) The Bonds shall be exchangeable upon the presentation and surrender thereof at the Designated Payment/Transfer Office of the Paying Agent/Registrar for a Bond or Bonds of the same maturity and interest rate and in any denomination or denominations of any integral multiple of \$5,000 principal amount and in an aggregate principal amount equal to the unpaid principal amount of the Bonds presented for exchange. The Paying Agent/Registrar is hereby authorized to authenticate and deliver Bonds exchanged for other Bonds in accordance with this Section.

(d) Each exchange Bond delivered by the Paying Agent/Registrar in accordance with this Section shall constitute an original contractual obligation of the County and shall be entitled to the benefits and security of this Order to the same extent as the Bond or Bonds in lieu of which such exchange Bond is delivered.

(e) No service charge shall be made to the Owner for the initial registration or any subsequent transfer of Bonds, but the Paying Agent/Registrar will require the Owner to pay the reasonable cost incurred by the Paying Agent/Registrar in connection with the exchange of a Bond or Bonds for a different denomination where no simultaneous transfer of the Bond or Bonds to a new Owner also occurs. In addition, the Paying Agent/Registrar may require the Owner to pay a sum sufficient to cover any tax or other governmental charge that is authorized to be imposed in connection with the registration, transfer or exchange of a Bond.

(f) Neither the County nor the Paying Agent/Registrar shall be required to transfer or exchange any Bond so selected for redemption, in whole or in part, when such redemption is scheduled to occur within 45 days.

Section 3.07. Cancellation. All Bonds paid in accordance with this Order, and all Bonds in lieu of which exchange Bonds or replacement Bonds are authenticated and delivered in accordance with this Order, shall be cancelled and proper records shall be made regarding such payment, redemption, exchange, or replacement. The Paying Agent/Registrar shall then dispose of cancelled Bonds in accordance with the Securities Exchange Act of 1934.

Section 3.08. Temporary Bonds.

(a) Following the delivery and registration of the Initial Bond and pending the preparation of definitive Bonds, the proper officers of the County may execute and, upon the County's request, the Paying Agent/Registrar shall authenticate and deliver, one or more temporary Bonds that are printed, lithographed, typewritten, mimeographed or otherwise produced, in any denomination, substantially of the tenor of the definitive Bonds in lieu of which they are delivered, without coupons, and with such appropriate insertions, omissions, substitutions and other variations as the officers of the County executing such temporary Bonds may determine, as evidenced by their signing of such temporary Bonds.

(b) Until exchanged for Bonds in definitive form, such Bonds in temporary form shall be entitled to the benefit and security of this Order.

(c) The County, without unreasonable delay, shall prepare, execute and deliver to the Paying Agent/Registrar the Bonds in definitive form; thereupon, upon the presentation and

surrender of the Bond or Bonds in temporary form to the Paying Agent/Registrar, the Paying Agent/Registrar shall cancel the Bonds in temporary form and authenticate and deliver in exchange therefor a Bond or Bonds of the same maturity and series, in definitive form, in the authorized denomination, and in the same aggregate principal amount, as the Bond or Bonds in temporary form surrendered. Such exchange shall be made without the making of any charge therefor to any Owner.

Section 3.09. Replacement Bonds.

(a) Upon the presentation and surrender to the Paying Agent/Registrar, at the Designated Payment/Transfer Office, of a mutilated Bond, the Paying Agent/Registrar shall authenticate and deliver in exchange therefor a replacement Bond of like tenor and principal amount, bearing a number not contemporaneously outstanding. The County or the Paying Agent/Registrar may require the Owner of such Bond to pay a sum sufficient to cover any tax or other governmental charge that is authorized to be imposed in connection therewith and any other expenses connected herewith.

(b) In the event that any Bond is lost, apparently destroyed or wrongfully taken, the Paying Agent/Registrar, pursuant to the applicable laws of the State of Texas and in the absence of notice or knowledge that such Bond has been acquired by a bona fide Purchaser, shall authenticate and deliver a replacement Bond of like tenor and principal amount, bearing a number not contemporaneously outstanding, provided that the Owner first:

- (i) furnishes to the Paying Agent/Registrar satisfactory evidence of his or her ownership of and the circumstances of the loss, destruction or theft of such Bond;
- (ii) furnishes such security or indemnity as may be required by the Paying Agent/Registrar and the County to save them harmless;
- (iii) pays all expenses and charges in connection therewith, including, but not limited to, printing costs, legal fees, fees of the Paying Agent/Registrar and any tax or other governmental charge that is authorized to be imposed; and
- (iv) satisfies any other reasonable requirements imposed by the County and the Paying Agent/Registrar.

(c) If, after the delivery of such replacement Bond, a bona fide Purchaser of the original Bond in lieu of which such replacement Bond was issued presents for payment such original Bond, the County and the Paying Agent/Registrar shall be entitled to recover such replacement Bond from the person to whom it was delivered or any person taking therefrom, except a bona fide Purchaser, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the County or the Paying Agent/Registrar in connection therewith.

(d) In the event that any such mutilated, lost, apparently destroyed or wrongfully taken Bond has become or is about to become due and payable, the Paying Agent/Registrar, in its

discretion, instead of issuing a replacement Bond, may pay such Bond if it has become due and payable or may pay such Bond when it becomes due and payable.

(e) Each replacement Bond delivered in accordance with this Section shall constitute an original additional contractual obligation of the County and shall be entitled to the benefits and security of this Order to the same extent as the Bond or Bonds in lieu of which such replacement Bond is delivered.

Section 3.10. Book-Entry Only System.

(a) The definitive Bonds shall be initially issued in the form of a separate single fully registered Bond for each of the maturities thereof. Upon initial issuance, the ownership of each such Bond shall be registered in the name of Cede & Co., as nominee of DTC, and except as provided in Section 3.11 hereof, all of the outstanding Bonds shall be registered in the name of Cede & Co., as nominee of DTC.

(b) With respect to Bonds registered in the name of Cede & Co., as nominee of DTC, the County and the Paying Agent/Registrar shall have no responsibility or obligation to any DTC Participant or to any person on behalf of whom such a DTC Participant holds an interest in the Bonds, except as provided in this Order. Without limiting the immediately preceding sentence, the County and the Paying Agent/Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any DTC Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any DTC Participant or any other person, other than an Owner, as shown on the Register, of any notice with respect to the Bonds, including any notice of redemption, or (iii) the payment to any DTC Participant or any other person, other than an Owner, as shown in the Register of any amount with respect to principal of, premium, if any, or interest on the Bonds. Notwithstanding any other provision of this Order to the contrary, the County and the Paying Agent/Registrar shall be entitled to treat and consider the person in whose name each Bond is registered in the Register as the absolute Owner of such Bond for the purpose of payment of principal of, premium, if any, and interest on the Bonds, for the purpose of giving notices of redemption and other matters with respect to such Bond, for the purpose of registering transfer with respect to such Bond, and for all other purposes whatsoever. The Paying Agent/Registrar shall pay all principal of, premium, if any, and interest on the Bonds only to or upon the order of the respective Owners, as shown in the Register as provided in this Order, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the County's obligations with respect to payment of, premium, if any, and interest on the Bonds to the extent of the sum or sums so paid. No person other than an Owner, as shown in the register, shall receive a certificate evidencing the obligation of the County to make payments of amounts due pursuant to this Order. Upon delivery by DTC to the Paying Agent/Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions in this Order with respect to interest checks or drafts being mailed to the registered Owner at the close of business on the Record Date, the word "Cede & Co." in this Order shall refer to such new nominee of DTC.

(c) The Representations Letter previously executed and delivered by the County, and applicable to the County's obligations delivered in book-entry-only form to DTC as securities depository, is hereby ratified and approved for the Bonds.

Section 3.11. Successor Securities Depository; Transfer Outside Book-Entry Only System. In the event that the County or the Paying Agent/Registrar determines that DTC is incapable of discharging its responsibilities described herein and in the Representation Letter, and that it is in the best interest of the beneficial owners of the Bonds that they be able to obtain certificated Bonds, or in the event DTC discontinues the services described herein, the County or the Paying Agent/ Registrar shall (i) appoint a successor securities depository, qualified to act as such under Section 17(a) of the Securities and Exchange Act of 1934, as amended, notify DTC and DTC Participants, as identified by DTC, of the appointment of such successor securities depository and transfer one or more separate Bonds to such successor securities depository or (ii) notify DTC and DTC Participants, as identified by DTC, of the availability through DTC of Bonds and transfer one or more separate Bonds to DTC Participants having Bonds credited to their DTC accounts, as identified by DTC. In such event, the Bonds shall no longer be restricted to being registered in the Register in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names Owners transferring or exchanging Bonds shall designate, in accordance with the provisions of this Order.

Section 3.12. Payments to Cede & Co. Notwithstanding any other provision of this Order to the contrary, so long as any Bonds are registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of, premium, if any, and interest on such Bonds, and all notices with respect to such Bonds, shall be made and given, respectively, in the manner provided in the Representation Letter.

## ARTICLE IV

### REDEMPTION OF BONDS BEFORE MATURITY

Section 4.01. Limitation on Redemption. The Bonds shall be subject to redemption before scheduled maturity only as provided in this Article IV and the Pricing Certificate.

Section 4.02. Optional Redemption.

(a) The Bonds shall be subject to redemption at the option of the County at such times, in such amounts, in such manner and at such redemption prices as may be designated and provided for in the Pricing Certificate.

(b) The County, at least 45 days before the redemption date, unless a shorter period shall be satisfactory to the Paying Agent/Registrar, shall notify the Paying Agent/Registrar of such redemption date and of the principal amount of Bonds to be redeemed.

Section 4.03. Mandatory Sinking Fund Redemption.

(a) The Bonds designated as term bonds in the Pricing Certificate (the "Term Bonds"), if any, are subject to scheduled mandatory redemption and will be redeemed by the

County, in part at a price equal to the principal amount thereof, without premium, plus accrued interest to the redemption date, out of moneys available for such purpose in the Interest and Sinking Fund, on the dates and in the respective principal amounts as set forth in the Pricing Certificate.

(b) At least forty five (45) days prior to each scheduled mandatory redemption date, the Paying Agent/Registrar shall select for redemption by lot, or by any other customary method that results in a random selection, a principal amount of Term Bonds equal to the aggregate principal amount of such Term Bonds to be redeemed, shall call such Term Bonds for redemption on such scheduled mandatory redemption date, and shall give notice of such redemption, as provided in Section 4.05 .

(c) In lieu of calling the Term Bonds described in subsection (b), above, for mandatory redemption, the County reserves the right to purchase such Term Bonds at a price not exceeding the principal amount thereof, plus accrued interest, with moneys on deposit in the Interest and Sinking Fund which are available for the mandatory redemption of such Term Bonds or other lawfully available funds.

(d) Upon any such purchase in lieu of redemption, not less than forty five (45) days prior to a mandatory redemption date, the County shall deliver such Term Bonds to the Paying Agent/Registrar prior to the selection of the Term Bonds for redemption and the principal amount so delivered shall be credited against the amount required to be called for redemption in that year.

(e) To the extent that the Term Bonds have been previously redeemed other than from such scheduled mandatory redemption payments, the amount of each scheduled mandatory redemption payment set forth above shall be reduced, as nearly as practicable, on a pro rata basis.

#### Section 4.04. Partial Redemption.

(a) If less than all of the Bonds are to be redeemed, the County shall determine the maturity or maturities and the amounts thereof to be redeemed and shall direct the Paying Agent/Registrar to call by lot the Bonds, or portions thereof, within such maturity or maturities and in such principal amounts for redemption.

(b) A portion of a single Bond of a denomination greater than \$5,000 may be redeemed, but only in a principal amount equal to \$5,000 or any integral multiple thereof. If such a Bond is to be partially redeemed, the Paying Agent/Registrar shall treat each \$5,000 portion of a Bond as though it were a single bond for purposes of selection for redemption.

(c) Upon surrender of any Bond for redemption in part, the Paying Agent/Registrar, in accordance with Section 3.06 of this Order, shall authenticate and deliver an exchange Bond or Bonds in an aggregate principal amount equal to the unredeemed portion of the Bond so surrendered, such exchange being without charge, notwithstanding any provision of Section 3.06 to the contrary.

(d) The Paying Agent/Registrar shall promptly notify the County in writing of the principal amount to be redeemed of any Bond as to which only a portion thereof is to be redeemed.

Section 4.05. Notice of Redemption to Owners.

(a) The Paying Agent/Registrar shall give notice of any redemption of Bonds by sending notice by United States mail, first class, postage prepaid, not less than 30 days before the date fixed for redemption, to the Owner of each Bond (or part thereof) to be redeemed, at the address shown in the Register at the close of business on the Business Day next preceding the date of mailing such notice.

(b) The notice shall state the redemption date, the redemption price, the place at which the Bonds are to be surrendered for payment, and, if less than all the Bonds outstanding are to be redeemed, an identification of the Bonds or portions thereof to be redeemed.

(c) Any notice given as provided in this Section shall be conclusively presumed to have been duly given, whether or not the Owner receives such notice.

Section 4.06. Payment Upon Redemption.

(a) Before or on each redemption date, the County shall deposit with the Paying Agent/Registrar money sufficient to pay all amounts due on the redemption date and the Paying Agent/Registrar shall make provision for the payment of the Bonds to be redeemed on such date by setting aside and holding in trust an amount from the Interest and Sinking Fund or otherwise received by the Paying Agent/Registrar from the County and shall use such funds solely for the purpose of paying the principal of, redemption premium, if any, and accrued interest on the Bonds being redeemed.

(b) Upon presentation and surrender of any Bond called for redemption at the Designated Payment/Transfer Office on or after the date fixed for redemption, the Paying Agent/Registrar shall pay the principal of, redemption premium, if any, and accrued interest on such Bond to the date of redemption from the money set aside for such purpose.

Section 4.07. Effect of Redemption.

(a) Notice of redemption having been given as provided in Section 4.05 of this Order and subject, in the case of an optional redemption under Section 4.02, to any conditions or rights reserved by the County under Section 4.08, the Bonds or portions thereof called for redemption shall become due and payable on the date fixed for redemption and, unless the County defaults in its obligation to make provision for the payment of the principal thereof, redemption premium, if any, or accrued interest thereon, such Bonds or portions thereof shall cease to bear interest from and after the date fixed for redemption, whether or not such Bonds are presented and surrendered for payment on such date.

(b) If the County shall fail to make provision for payment of all sums due on a redemption date, then any Bond or portion thereof called for redemption shall continue to bear interest at the rate stated on the Bond until due provision is made for the payment of same.

Section 4.08. Conditional Notice of Redemption.

The County reserves the right, in the case of an optional redemption pursuant to Section 4.02 herein, to give notice of its election or direction to redeem Bonds conditioned upon the occurrence of subsequent events. Such notice may state (i) that the redemption is conditioned upon the deposit of moneys and/or authorized securities, in an amount equal to the amount necessary to effect the redemption, with the Paying Agent/Registrar, or such other entity as may be authorized by law, no later than the redemption date, or (ii) that the County retains the right to rescind such notice at any time on or prior to the scheduled redemption date if the County delivers a certificate of the County to the Paying Agent/Registrar instructing the Paying Agent/Registrar to rescind the redemption notice and such notice and redemption shall be of no effect if such moneys and/or authorized securities are not so deposited or if the notice is rescinded. The Paying Agent/Registrar shall give prompt notice of any such rescission of a conditional notice of redemption to the affected Owners. Any Bonds subject to conditional redemption and such redemption has been rescinded shall remain Outstanding and the rescission of such redemption shall not constitute an Event of Default. Further, in the case of a conditional redemption, the failure of the County to make moneys and or authorized securities available in part or in whole on or before the redemption date shall not constitute an Event of Default.

Section 4.09. Lapse of Payment. Money set aside for the redemption of the Bonds and remaining unclaimed by Owners thereof shall be subject to the provisions of Section 3.03(f) hereof.

ARTICLE V

(b) If the Paying Agent/Registrar resigns or otherwise ceases to serve as such, the County will promptly appoint a replacement.

Section 5.04. Termination. The County reserves the right to terminate the appointment of any Paying Agent/Registrar by delivering to the entity whose appointment is to be terminated (i) forty-five (45) days written notice of the termination of the appointment and of the Paying Agent/Registrar Agreement, stating the effective date of such termination, and (ii) appointing a successor Paying Agent/Registrar; provided, that, no such termination shall be effective until a successor paying agent/registrar has assumed the duties of paying agent/registrar for the Bonds.

Section 5.06. Agreement to Perform Duties and Functions. By accepting the appointment as Paying Agent/Registrar, the Paying Agent/Registrar is deemed to have agreed to the provisions of this Order and that it will perform the duties and functions of Paying Agent/Registrar prescribed hereby.

Section 5.07. Delivery of Records to Successor. If a Paying Agent/Registrar is replaced, such Paying Agent/Registrar, promptly upon the appointment of the successor, will deliver the Register (or a copy thereof) and all other pertinent books and records relating to the Bonds to the successor Paying Agent/Registrar.

The Paying Agent/Registrar will select by lot the specific Term Bonds (or with respect to Term Bonds having a denomination in excess of \$5,000, each \$5,000 portion thereof) to be redeemed by mandatory redemption. The principal amount of Term Bonds required to be redeemed on any redemption date pursuant to the foregoing mandatory sinking fund redemption provisions hereof shall be reduced, at the option of the County, by the principal amount of any Term Bonds which, at least 45 days prior to the mandatory sinking fund redemption date (i) shall have been acquired by the County at a price not exceeding the principal amount of such Term Bonds plus accrued interest to the date of purchase thereof, and delivered to the Paying Agent/Registrar for cancellation, or (ii) shall have been redeemed pursuant to the optional redemption provisions hereof and not previously credited to a mandatory sinking fund redemption.

The Paying Agent/Registrar shall give prompt notice of any such rescission of a conditional notice of redemption to the affected Owners. Any Bonds subject to conditional redemption and such redemption has been rescinded shall remain Outstanding, and the rescission of such redemption shall not constitute an Event of Default. Further, in the case of a conditional redemption, the failure of the County to make moneys and/or authorized securities available in part or in whole on or before the redemption date shall not constitute an Event of Default.

Any notice so mailed shall be conclusively presumed to have been duly given, whether or not the registered owner receives such notice. Notice having been so given and subject, in the case of an optional redemption, to any rights or conditions reserved by the county in the notice, the Bonds called for redemption shall become due and payable on the specified redemption date, and notwithstanding that any Bond or portion thereof has not been surrendered for payment, interest on such Bond or portion thereof shall cease to accrue.

As provided in the Order, and subject to certain limitations therein set forth, this Bond is transferable upon surrender of this Bond for transfer at the Designated Payment/Transfer Office, with such endorsement or other evidence of transfer as is acceptable to the Paying Agent/Registrar, and, thereupon, one or more new fully registered Bonds of the same stated maturity, of authorized denominations, bearing the same rate of interest, and for the same aggregate principal amount will be issued to the designated transferee or transferees.

The County, the Paying Agent/Registrar, and any other person may treat the person in whose name this Bond is registered as the owner hereof for the purpose of receiving payment as herein provided (except interest shall be paid to the person in whose name this Bond is registered on the Record Date or Special Record Date, as applicable) and for all other purposes, whether or not this Bond be overdue, and neither the County nor the Paying Agent/Registrar shall be affected by notice to the contrary.

Neither the County nor the Paying Agent/Registrar shall be required to issue, transfer or exchange any Bond called for redemption where such redemption is scheduled to occur within 45 calendar days of the transfer or exchange date; provided, however, such limitation shall not be applicable to an exchange by the registered owner of the uncalled principal balance of a Bond.

IT IS HEREBY CERTIFIED AND RECITED that the issuance of this Bond and the series of which it is a part is duly authorized by law; that all acts, conditions and things required to be done precedent to and in the issuance of the Bonds have been properly done and performed and have happened in regular and due time, form and manner, as required by law; and that the total indebtedness of the County, including the Bonds, does not exceed any constitutional or statutory limitation.

### PARTICULAR REPRESENTATIONS AND COVENANTS

Section 9.01. Payment of the Bonds. While any of the Bonds are outstanding and unpaid, there shall be made available to the Paying Agent/Registrar, out of the Interest and Sinking Fund, money sufficient to pay the interest on and the principal of the Bonds, as applicable, as will accrue or mature on each applicable Interest Payment Date.

Section 9.02. Other Representations and Covenants.

(a) The County will faithfully perform at all times any and all covenants, undertakings, stipulations, and provisions contained in this Order and in each Bond; the County will promptly pay or cause to be paid the principal of, interest on, and premium, if any, with respect to, each Bond on the dates and at the places and manner prescribed in such Bond; and the County will, at the times and in the manner prescribed by this Order, deposit or cause to be deposited the amounts of money specified by this Order.

(b) The County is duly authorized under the laws of the State of Texas to issue the Bonds; all action on its part for the creation and issuance of the Bonds has been duly and effectively taken; and the Bonds in the hands of the Owners thereof are and will be valid and enforceable obligations of the County in accordance with their terms.

Section 9.03. Federal Income Tax Exclusion.

(a) General. The County intends that the interest on the Bonds will be excludable from gross income for federal income tax purposes pursuant to sections 103 and 141 through 150 of the Code, and the applicable Treasury Regulations promulgated thereunder (the "Regulations"). The County covenants and agrees not to take any action, or omit to take any action within its control, that if taken or omitted, respectively, would (i) cause the interest on the Bonds to be includable in gross income, as defined in section 61 of the Code, for federal income tax purposes or (ii) result in the violation of or failure to satisfy any provision of section 103 and

141 through 150 of the Code and the applicable Regulations. In particular, the County covenants and agrees to comply with each requirement of this Section 9.03; provided, however, that the County shall not be required to comply with any particular requirement of this Section 9.03 if the County has received an opinion of nationally recognized bond counsel (“Counsel’s Opinion”) that (i) such noncompliance will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Bonds or (ii) compliance with some other requirement set forth in this Section 9.03 will satisfy the applicable requirements of the Code and the Regulations, in which case compliance with such other requirement specified in such Counsel’s Opinion will constitute compliance with the corresponding requirement specified in this Section 9.03.

(b) No Private Use or Payment and No Private Loan Financing. The County covenants and agrees that it will make such use of the proceeds of the Bonds, including interest or other investment income derived from Bond proceeds, regulate the use of property financed, directly or indirectly, with such proceeds, and take such other and further action as may be required so that the Bonds will not be “private activity bonds” within the meaning of section 141 of the Code and the Regulations. Moreover, the County will certify, through an authorized officer, employee or agent that based upon all facts and estimates known or reasonably expected to be in existence on the date the Bonds are delivered, that the proceeds of the Refunded Bonds have not been and the proceeds of the Bonds will not be used in a manner that would cause the Bonds to be “private activity bonds” within the meaning of section 141 of the Code and the Regulations.

(c) No Federal Guaranty. The County covenants and agrees not to take any action, or knowingly omit to take any action within its control, that if taken or omitted, respectively, would cause the Bonds to be “federally guaranteed” within the meaning of section 149(b) of the Code and the applicable Regulations thereunder, except as permitted by section 149(b)(3) of the Code and such Regulations.

(d) No Hedge Bonds. The County covenants and agrees that it has not and will not take any action, and has not knowingly omitted and will not knowingly omit to take any action, within its control, that, if taken or omitted, respectively, would cause the Bonds to be “hedge bonds” within the meaning of Section 149(g) of the Code and the applicable Regulations thereunder. Moreover, the County will certify, through an authorized officer, employee or agent, based upon all facts and circumstance known or reasonably expected to be in existence on the date the Bonds are delivered, that the proceeds of the Refunded Bonds have not been used in a manner that would cause the Refunded Bonds or the Bonds to be “hedge bonds” within the meaning of Section 149(g) of the Code and the applicable Regulations thereunder.

(e) No Arbitrage. The County covenants and agrees that it will make such use of the proceeds of the Bonds, including interest or other investment income derived from Bond proceeds, regulate investments of proceeds of the Bonds, and take such other and further action as may be required so that the Bonds will not be “arbitrage bonds” within the meaning of section 148(a) of the Code and the applicable Regulations promulgated thereunder. Moreover, the County will certify, through an authorized officer, employee or agent, based upon all facts and estimates known or reasonably expected to be in existence on the date the Bonds are delivered, that the proceeds of the Refunded Bonds have not been and the proceeds of the Bonds will not be

used in a manner that would cause the Bonds to be “arbitrage bonds” within the meaning of section 148(a) of the Code and the applicable Regulations promulgated thereunder.

(f) Arbitrage Rebate. If the County does not qualify for an exception to the requirements of Section 148(f) of the Code relating to the required rebate to the United States, the County will take all necessary steps to comply with the requirement that certain amounts earned by the County on the investment of the “gross proceeds” of the Bonds (within the meaning of section 148(f)(6)(B) of the Code), be rebated to the federal government. Specifically, the County will (i) maintain records regarding the investment of the gross proceeds of the Bonds as may be required to calculate the amount earned on the investment of the gross proceeds of the Bonds separately from records of amounts on deposit in the funds and accounts of the County allocable to other bond issue of the County or moneys which do not represent gross proceeds of any bonds of the County, (ii) determine at such times as are required by the applicable Regulations, the amount earned from the investment of the gross proceeds of the Bonds which is required to be rebated to the federal government, and (iii) pay, not less often than every fifth anniversary date of the delivery of the Bonds or on such other dates as may be permitted under the Regulations, all amounts required to be rebated to the federal government. Further, the County will not indirectly pay any amount otherwise payable to the federal government pursuant to the foregoing requirements to any person other than the federal government by entering into any investment arrangement with respect to the gross proceeds of the Bonds that might result in a reduction in the amount required to be paid to the federal government because such arrangement results in a smaller profit or a larger loss than would have resulted if the arrangement had been at arm’s length and had the yield on the issue not been relevant to either party.

(g) Information Reporting. The County covenants and agrees to file or cause to be filed with the Secretary of the Treasury, not later than the 15th day of the second calendar month after the close of the calendar quarter in which the Bonds are issued, an information statement concerning the Bonds, all under and in accordance with section 149(e) of the Code and the applicable Regulations.

(h) Record Retention. The County will retain all pertinent and material records relating to the use and expenditure of the proceeds of the Refunded Bonds and the Bonds until three years after the last Bond is redeemed, or such shorter period as authorized by subsequent guidance issued by the Department of Treasury, if applicable. All records will be kept in a manner that ensures their complete access throughout the retention period. For this purpose, it is acceptable that such records are kept either as hardcopy books and records or in an electronic storage and retrieval system, provided that such electronic system includes reasonable controls and quality assurance programs that assure the ability of the County to retrieve and reproduce such books and records in the event of an examination of the Bonds by the Internal Revenue Service.

(i) Registration. The Bonds will be issued in registered form.

(j) Deliberate Action. The County will not take a deliberate action (as defined in section 1.141-2(d)(3) of the Regulations) that causes the Bonds to fail to meet any requirement of section 141 of the Code after the issue date of the Bond unless an appropriate remedial action is

permitted by section 1.141-12 of the Regulations and a Counsel's Opinion is obtained that such remedial action cures any failure to meet the requirements of section 141 of the Code.

(k) Continuing Obligation. Notwithstanding any other provision of this Order, the County's obligations under the covenants and provisions of this Section 9.03 shall survive the defeasance and discharge of the Bonds for as long as such matters are relevant to the exclusion from gross income of interest on the Bonds for federal income tax purposes.
