Re: Authorization to Award a Contract for the Construction of a Bridge on
County Road 604 at Elm Creek - Bond Project No. 07-0043
(Location Map Attached)

The Engineering Department requests Commissioners Court's authorization to award a contract in the amount of \$352,387.10 to McMahon Contracting, LP for construction of a bridge on the above referenced road. McMahon is the lowest qualified bidder based on evaluation of the bids and contractor qualifications.

It is anticipated that construction will begin in August with substantial completion by November 30, 2016.

We will be available to answer any questions you might have.
