Re: Rescind Court Order 2011-916-11-14 Tax Abatement Policy

Due to the Collin County Commissioners Court adopting one of the lowest county tax rates in the State, I recommend that the Commissioners Court rescind Court Order 2011-916-11-14 and no longer participate in property tax abatements that are authorized by Chapter 312 of the Texas Tax Code.

If the Tax Abatement Policy is rescinded, it will not affect any previously approved tax abatement agreements.
