RE: AMENDMENT – Extension to IFB No. #2014-122 / Court Order No. 2014-542-08-18

ICS Jail Supplies, Inc. would like to extend/renew the above mentioned contract for an additional one-year term. However, due to the rising cost of materials and transportation over the term of the contract, we must request a price escalation on the contracted items.

We would like the amendment for extension to allow us to increase the price by 3%. All other terms and conditions remain unchanged. Please advise if the County will allow the price adjustment during the renewal period from October 1, 2016 through September 30, 2017.

We would also like to request an addition to the current contract. We recently obtained a BuyBoard® Contract and would like to add a catalog discount of **10% OFF** all non-contracted items through this customized electronic purchasing system.

Lastly, we are in the process of getting an updated insurance certificate to you, as well as the Form 1295 (Certificate of Interested Parties). If you have any questions or need further assistance, please do not hesitate to contact myself or our Bid Manager, Maegan Eisenman.

Sincerely,

Eryn E. Putman
