Re: Authorization to Add Artifacts into Inventory as Property of Collin County

The Collin County Historical Society & Museum, formerly operated as the North Texas History Center, has recently returned items belonging to the Collin County Farm Museum. These items include a garden cultivator and hand seeder, an Avery iron plow, planter and seeder (from Charles & Onie Loftice Farm, Melissa, TX). These items were not included in the inventory accepted by the Commissioners Court, Court Order No. 2015-976-12-14.

Per Court Order No. 2015-976-12-14, the Collin County Farm Museum requests the County Commissioners Courts authorization to add all artifacts from the Collin County Historical Society & Museum into inventory of the Collin County Farm Museum.

We will be available to answer any questions you might have regarding this matter.
