November 29, 2016

To: Commissioners Court

From: Clarence Daugherty, P.E., Director of Engineering

Subject: **Transportation Needs and Funding**

The Commissioners Court has discussed transportation needs and funding numerous times in recent months. This agenda item provides a comprehensive view of how projects are funded in the region as well as the Collin County transportation needs for the near-term future. The staff will provide a presentation to further explain this at the Court meeting. This information is provided in order to assist the Court in considering appropriate actions for the County to take to acquire necessary funding.
