TO: Collin County Commissioners Court
RE: Approval of the Interlocal Agreement regarding Traffic Regulation in the McKinney Municipal Utility District No. 1 and No. 2 (Trinity Falls)

In order for the Collin County Sheriff's Office to regulate traffic within the Trinity falls Municipal Utility District, Commissioner Court must approve regulatory sign warrants within the District.

Texas Transportation Code gives the court guidance on how to go about regulating roads within Special Districts. Section 251.151 (b)

Sec. 251.151. Authority of Commissioners Court to Regulate Certain Roads.

"The commissioners court of a county may by order apply the county's traffic regulations to a public road in the county that is owned, operated, and maintained by a special district and located wholly or partly in the county if the commissioners court and the board of the district have entered into an interlocal contract under Section 791.036, Government Code."

By approving the attached Interlocal Agreement, the county's Sheriff's office is able to regulate the traffic control signage within the District. Staff has sought attorney's opinion and the opinion of the Collin County Sheriff's office and edits have been made to the attached agreement.

Once this agreement is approved, staff will start the public notification process, for the sign warrants, and then seek Commisisoners Court approval at a subsequent court date.

The roads will be maintained by the District.

ACTION: Approval of the Interlocal Agreement regarding Traffic Regulation in the McKinney Municipal Utility District No. 1 and No. 2 (Trinity Falls)
