MEMORANDUM

DATE: January 10, 2017
TO: Commissioners' Court
FROM: Jim Skinner, Sheriff JOS
RE: AFIS Upgrade

We were recently notified by Texas Department of Public Safety that all agencies will be required to upgrade their existing AFIS equipment in order to maintain their connectivity to the State. Unfortunately, we received this notification after the FY17 budget had commenced and must purchase and install the new equipment by August 2017. We are requesting a budget amendment/adjustment in order to purchase the equipment by the stated deadline.
