Re: Mass Gathering Permit / The Garden Show

I have reviewed the attached Mass Gathering Permit for the "Garden Show" promoted by Collin County Master Gardeners Association. The event is coordinated and held at Myers Park.

I have reviewed the application and all other documents. Myers Park is in charge of security and coordinates that with Captain Thompson. There is no need for an Outside Employer request because Myers Park is owned and operated by Collin County.

As long as the Collin County Fire Marshal signs off on the event, I would only recommend Patrol be made aware of the event. I currently have no objections to the issuance of the Mass Gathering Permit.
