Mr. Self,

On behalf of the YMCA of Metropolitan Dallas and the Board of Managers of Collin County Adventure Camp, I am requesting permission to construct a new program area at Collin County Adventure Camp(CCAC). The proposed activity is a Giant Swing located adjacent to the existing Zipline. This project will be built by the same company that constructed the Zipline at CCAC and they will provide stamped drawings at the time of construction. I have included a drawing by the ACCT approved builder and provided Bill Bilyeu a link to a video of the activity.

The YMCA is paying for the construction of this new activity and will ensure that staff are trained to ACCT standards.

Thank you for your time,
