MEMORANDUM

Date: April 12, 2017

To: Commissioners Court

From: Jim Skinner, Sheriff *JS 4/12/17*

Re: Agenda Request – Amendment to Agreement 2017-198

This memorandum is respectfully submitted requesting the court's approval to enter into agreement with Justice Benefits, Inc. or JBI for Agreement No. 2017-198, Assistance to obtain Federal Financial Participation (FFP) for the SCAAP program to pursue State Criminal Alien Assistance Program SCAAP awards. After meeting with County Auditor Jeff May, we have mutually agreed that under this expansion of work JBI would develop cost data, secure the necessary data required to document qualified inmates and prepare the SCAAP claims. Attached are area agency claim awards that in recent years have eclipsed Collin County awards, many of these agencies are much smaller than Collin County. Your consideration in this matter is appreciated.
