Dear Ms. Hoglund:

It is our intent to extend our consulting services with Collin County, Texas and complete the State Criminal Alien Assistance Program (SCAAP) claims on behalf of the Sheriff's Office for the upcoming filing period(s).

Justice Benefits, Inc. (JBI) has been preparing the SCAAP claims to obtain reimbursements for a significant portion of costs incurred for incarcerating undocumented criminal aliens in county jail nationwide for 20 years. We have been working with Collin County since September 6, 1996 on the Supplemental Security Income (SSI) program and wish to expand our partnership in the future.

To the best of our knowledge, no other professional services firm is currently working with Sheriff's offices or local jails to prepare federal reimbursement claims for this program. Accordingly, JBI is presently the only firm engaged in comprehensive claims preparation for counties, cities, and departments submitting claims for federal reimbursement of local incarceration costs for these classes of inmates.

We look forward to continuing our partnership with the staff of the Collin County Sheriff's Office. If you have any questions, please feel free to contact me at (972) 406-3728 or afarmer@jbi-ltd.com.

Sincerely,

April Farmer
