Re: Request from Trinity Trail Preservation Association to Utilize Remaining Open Space Project Funding Assistance Program Funds – 2007 Open Space Bond – 4th Series (2013) Project No. 07PG50

The Engineering Department requests Commissioners Court's approval of Trinity Trail Preservation Association's (TTPA) request to utilize remaining Open Space Bond Funds (See Letter Attached).

Collin County approved \$15,000 in funding for trail bed and drainage improvements along Trinity Trail on the west side of Lake Lavon in October 2013. TTPA completed those improvements under budget, leaving a balance of \$3810.57 in approved County funding.

TTPA is asking to utilize a portion (\$2350) of the remaining funds to make drive repairs and drainage improvements at the Brockdale Park trailhead. The remaining balance (\$1460.57) would be returned to the Open Space Bond Account.

If approved, a Court Order authorizing the use of funds for the aforementioned improvements would be attached to the Funding Agreement as back up in lieu of revising and executing a new agreement.

We will be available to answer any questions you might have regarding this matter.
