It would have to go to court as a donation, we would need a letter from them on letterhead asking for the donation if this is something you would want to do.

OK, let me know.

Do I need to go to Sara for the information on how we would transfer ownership of them to a VFD?

We place the old MDC's either in surplus or stock so that we have extra in case one goes out. You would need to speak to purchasing to see what the procedure is for the City of Anna to purchase the MDC's from the county or if they can be donated.

Thanks, David.

David,

What did we do with the old MDC?

Commander-

Good afternoon, I hope this finds you doing well. I have a question for you. While visiting with Tommy at ICS a few weeks ago, he mentioned that the CCSO had recently received new vehicle laptops.

I was curious, if indeed you all had switched, are there any available for a Fire Dept. to pick up to place into our units? We are seriously, trying to get hooked up on ICS. However, I am trying to find ways to cut expenses this first year. We would be looking at four to six if any are available.

Do you know if any are available?

Respectfully;

Tim Gothard
