The Honorable Keith Self and Members of the Collin County Commissioners Court  
Collin County

RE: North Texas Groundwater Conservation District Board Representation

Dear Judge Self and Members of the Collin County Commissioners Court:

The legislation which created the North Texas Groundwater Conservation District in 2009 contains a provision for one representative to be nominated by the groundwater producers in Collin County and appointed by the Collin County Commissioners Court. This appointment expires June 1, 2017 and the new term will be for a four year period expiring June 1, 2021.

I have occupied this seat on the North Texas GCD Board of Directors since the inception of the District (eight years) and am currently serving as Board President. Over the last several years, I have been fortunate and blessed to see my business growing and thereby demanding more of my time. After careful consideration, I have decided to step down from the North Texas GCD Board of Directors in order to focus more of my time on my business and with my family.

I have reached out to other qualified individuals in Collin County in an effort to assist the Commissioners Court with nominees. The Commissioners Court may want to consider the following nominees in no particular order: 1) Robert Todd who serves as General Manager for the Frognot Water Supply Corporation or 2) Allen Knight who serves as the General Manager of North Collin Special Utility District (Operator for Altoga Water Supply Corporation). I have communicated with both of these individuals to let them know what would be required of them as a Board Member and they have each expressed a willingness to serve if appointed by the Commissioners Court. I believe these individuals have the qualifications to serve and can eagerly recommend either candidate.

I would like to request that you place an item on the next Commissioners Court agenda to provide an appointment to the Board of Directors for the new four year term. Please let me know if I or the District staff can assist you in any way with this request.

Respectfully submitted,

Eddy Daniel, P.E.  
Board President
