CCSJ#2679-03-015 & 2679-03-016 – (FM2514 from N. of Drain Dr. to Brown St.)

Dear Ms. Homfeld,

The Town of St. Paul has received a Request to Contribute Right of Way Funds from TxDot for the above mentioned project. (see attached)

The town is requesting assistance from Collin County to provide funding for the entire amount of \$702,935.60. It is my understanding that the county has funds set aside that are earmarked for this purpose.

The St. Paul is proud of our partnership with Collin County and we appreciate everything the county does for us.

Best regards,

Opie Walter

Mayor of the Town of St. Paul
