Re: Material Testing Services for Various County Projects
RFQ 2017-247

Collin County currently has a contract with Alliance Geotechnical Group for material testing services on an as needed basis. This contract, which provides for material testing at various road and bridge projects as well as building construction sites, expires on September 30, 2017.

Accordingly, Commissioners Court's authorization to issue the attached RFQ for Material Testing Services is requested.

We will be available to answer any questions you might have regarding this matter.
