Re: 2014 e-Management System for Indigent Defense Extension

Dear Mr. Colfax,

Collin County is requesting an extension for the 2014 e-Management System for Indigent Defense grant in order to be able to complete the project to which we have committed. Due to the nature of a software planning and implementation project, we will not be able to complete the project by the current due date of August 31, 2017.

As you are aware, outstanding contract deliverables have caused us to extend our current contract with our consulting vendor. With updated action plans and an amended vendor contract in place, we are requesting an additional 5-month extension with a new date of January 31, 2018 for this instance and appreciate your consideration.

Sincerely,

Keith Self
County Judge
