Subject: Bid Award for Central Plant Generator Load Transfer

This project is part of the Central Plant and Adult Detention Generator upgrade approved in the 2017 Permanent Improvement Budget. Purchasing made direct contact with 10 contractors to increase interest in bidding. The bid received is approximately \$10,000.00 less than the Engineer's estimate. With that in mind approval of KE Industrial's bid as the lowest, and only, bid is recommended in the amount of \$54,880.00.

Thank you for your consideration
