RE: Liability Insurance Renewals

Collin County's General Liability insurance program will expire on October 1, 2017. I recommend we renew the current policy with Wells Fargo (OneBeacon) in the amount of \$401,647.00. This price includes liability coverage, excess liability coverage, the inland marine policy (mobile command center and mobile hospitals) and coverage for Myers Park. The coverage and deductibles for all locations will remain the same as last year. There is a slight decrease in cost due to the removal of last year's included limited cyber liability coverage.

OneBeacon has offered broader, more comprehensive cyber- network security and privacy coverage to address the county's needs. The proposed cyber liability extension covers security breaches, privacy theft, and costs related to responding to a data breach. After consulting IT, I recommend that we purchase the offered cyber coverage for an additional \$26,873.00

I also recommend we renew the current policy with Wells Fargo (ACE) for our healthcare liability in the amount of \$18,526.20. There was a slight increase of \$40.96 in the premium compared to last year.

The new policy will be in effect from October 1, 2017 to September 30, 2018.
