Vehicle 3 - State Make/Model/Size of vehicle used for transport					2014+ 26' box truck (International) with liftgate		26 FT 2010 FREIGHTLINER	
Vehicle 4 - State Make/Model/Size of vehicle used for transport					2014+ 26' box truck (International) with liftgate		26 FT 2011 hino	
Subcontractors					Not applicable-Self Perform		Viilotoro trucking, delivering voting machines	

Clarification:

- 1 I called Exserv for pricing clarification. Pricing is \$325 per unit (container). If more than one unit (container) is being delivered, the price doubles.
- 2 C&D bid total price per line item, but I contacted them and they clarified that pricing is \$130 each way to total \$260.00 per location even if more than one unit (container) is delivered.
- 3 C&D attribute said they own their trucks, but were using a trucking subcontractor.
I contacted C&D and they clarified they plan to use 100% labor of subcontractor and all of the subcontractor's trucks.
