MEMORANDUM

DATE: August 17, 2017
TO: Commissioners Court
FROM: Jim Skinner *JOS*
RE: Motorola Maintenance Contract Renewal

The attached maintenance contracts are for the Motorola Radio System which is utilized throughout Collin County by various county entities. These contracts cover network management, technical support, software maintenance and local repair with onsite response.

It is necessary to maintain these maintenance contracts until our current radio system is terminated and we are on the new radio system. We are projecting to terminate the old radio system in June 2018, if no delays are encountered.
