Re: Mass Gathering Permit / "Light Fest"

I have reviewed the attached Mass Gather Permit for "Light Fest". This is a new event that is taking place on November 3-4, 2017 at 7581 – 8199 County Road 526 Anna, TX 75409. The permit appears to be documented correctly.

I have reviewed the application that has been submitted by the promoter. "Light Fest" will be in charge of security for the mass gathering and may hire members of the Collin County Sheriff's Office to provide traffic control. Depending on the times of the gathering and expected crowds the amount of Deputies required for traffic control may fluctuate.

If the Collin County Fire Marshal's Office signs off on the event, I would recommend that patrol be made aware of the event in the instance that issues arise.

I have no objection to the issuance of a permit for the mass gathering.
