Red the Uniform Tailor
3200 Commander Drive, Suite 114
Carrollton, Texas 75006
Attn: Kim Sylvester

**RE: Best Value Cooperative Bid #1306-061
Law Enforcement Uniforms**

Dear Ms. Sylvester,

On August 6, 2013 The City of Frisco City Council awarded the above mentioned bid to your agency. This is an annual contract which includes a one (1) year term with four (4) additional one (1) year renewals. The third renewal was exercised and will expire on August 6, 2017. The City of Frisco desires to exercise the fourth available renewal option under this agreement, from August 7, 2017 through August 6, 2018.

Per the letter and supporting documentation from Red the Uniform Tailor (attached), the City of Frisco will accept the requested price increases requested. The revised pricing is attached.

Please acknowledge receipt and acceptance of this letter by signing and emailing it to Daniel Ford, dford@friscotexas.gov.

Name Patricia Klein

Date 6/23/2017

Signature

Thank you for your interest in serving our needs. We look forward to a successful business relationship. If you have any further questions, please contact the Purchasing Division at (972) 292 5545.

Sincerely,

Daniel Ford, CPPO, CPPB
Purchasing Manager

Red the Uniform Tailor

Re: Spring 2017 Price Increase

To Whom It May Concern,

Effective March 1, 2017, 5.11 has made some changes in design and manufacturing to achieve a higher level of performance. This change, along with costs in materials, labor, and transportation, has made it necessary to increase some of our product pricing.

The percent increase will vary based on the style, as we source from many different markets. Generally, prices only increased slightly for wholesale, MSRP and MAP. The styles from major categories that were higher than 3% in increase were company pants and footwear, which ranged from 3.1% to 6.7%. The percentage of styles with price changes was less than 2% of total styles sold.

If you have questions, please contact your 5.11 territory manager.

Sincerely,

Frank Cappelletti
Vice President, Sales

RE: Price Increase

MR Wald:

Due to inflation and the overall increases in raw materials, labor and transportation, ASP implemented a price increase in January 2017 and has issued a new price schedule.

The January 2017 Retail Price Schedule is enclosed for your review. ASP has had to increase prices by an average of 3% per year for the past 5 years.

If you have any questions about the price increase, please contact our office.

Sincerely,

ASP, INC

Daryell Harmon
Law Enforcement Sales Manager

Re: 2017 price increase

On behalf of V.H. Blackinton distributors

To whom it may concern:

Please let this letter serve as confirmation that Blackinton needed to raise prices due to cost of raw materials and manufacture costs related to fuel prices and labor for calendar year 2017 by 2.5%.

Sincerely,

V.H. Blackinton & Co., Inc.

Dear Valued Customer,

We are writing to provide you advance notice that Dickies® will be implementing a modest price increase of five percent across all divisions and product lines, effective January 1, 2017. The last time we had a similar comprehensive price increase was 2010. We are proud that we've been able to hold prices for such an extended period of time. In this price sensitive marketplace, we have seen our competitors increase prices during those years, some multiple times, while we have not.

While we have mitigated increased costs since the last price increase six years ago through engineering advances and improved efficiencies, overall increases in the cost to operate our business remain. These cost pressures include wages, healthcare, compliance and regulation, logistics, and raw materials.

We understand that a price increase notification is difficult to communicate and receive. Therefore, please feel free to contact your account representative or me personally if you have questions or need additional clarification.

On behalf of the Williamson-Dickie Mfg. Co., thank you for your business, partnership and continued support.

Sincerely,

A handwritten signature in dark ink, appearing to read "A. Smith".

Alex M. Smith
Senior Vice President
Dickies North America

Dear Patrick,

This letter is to confirm that in February of this year there was a list price increase on all stock styles. The average price increase was approximately 2.5%. This is in result of an increase in materials, trim, labor, and overhead.

If there are any questions or additional information that is needed please feel free to contact me.

Sincerely,

A handwritten signature in dark ink, appearing to read "Brian Duffy", with a stylized flourish at the end.

Brian Duffy

Re: Fire Department Contract

Dear Mr. Ford:

Effective January 1, 2017 the cost for HAIX® boots increased 3%.

The increase of 3% in your cost is due to our manufacturing increases in wages, our cost of raw materials and our transportation costs. As you know, HAIX® boots manufactured in Europe and adjustments must also be made for the Euro to Dollar ratio.

We appreciate your business and value your partnership with HAIX® North America. If you have any further questions please do not hesitate to contact me.

Yours sincerely,

Sandy Longarzo

RE: Point Blank Price Increase for 2017

To whom it may concern,

Point Blank Enterprises does its very best to provide the greatest lifesaving protective gear at the best available price.

Due to external situations, such as cost of Insurance, Shipping, Raw material goods etc. we have been forced to increase our retail pricing an average of 2.5% per year year.

On April 1st, 2017 a new retail price list was provided to all dealers that reflect this average 2.5% increase. Every product in our pricelist was reviewed individually to make sure that we could limit the amount of increase as much as possible.

Point Blank will continue to provide the very best lifesaving products at the lowest cost available. Should you have any questions or need additional information, please do not hesitate to contact my office at 1-719-354-0310

Respectfully,

A handwritten signature in black ink, appearing to read "Randy Wills", is written over a light gray rectangular background.

Randy Wills

Re: Pricing for Frisco Contract

Dear Mr. Wald,

Please allow this letter to serve as confirmation that there were no across the board percentage price increases from 2016-2017 for our Safariland products.

However, due to escalations in raw material, labor, and insurance costs, some models within our product lines increased slightly for 2017. Not all product lines were impacted and many models saw no increase at all.

We appreciate your continued loyalty to Safariland. Should you have any questions, you may contact Account Manager Shannon Couch at (325) 260-7051 or via e-mail at Shannon.Couch@safariland.com or you may contact me at (904) 371-2207 or via e-mail at Wendy.Fuchs@safariland.com.

Best regards,

Wendy Fuchs

Dear Valued Streamlight Inc. Distributor,

2016 has been another successful year for Streamlight thanks to the tremendous efforts of our distribution partners. Thank you for another great year.

Here at Streamlight, it has been a busy and expensive year for our Engineering and Compliance teams. Particularly in the area of California Energy Commission compliance. You can be confident that our team has met the challenge of bringing our broad product line into compliance with CEC requirements as of January 1, 2017.

This work necessitated modifications to many of our rechargeable product lines that came with a cost including significant engineering time and component cost increases. We have worked hard to limit price increases and in many cases, the increases do not cover the increased cost incurred due to product modifications.

You will also notice only a few other modest price increases on older products that have experienced component cost increases due to declining volumes as our mutual customers transition to new products with enhanced technology.

We have attached our 2017 Electronic Distributor Price List with this email. Please take some time to review this information on the spreadsheet which includes:

- 2017 Published Prices effective 3/1/17
- Updated Terms & Conditions
- Warranty & Non- Warranty Service Information
- NSN #'s
- Parts Pricing
- Items un-saleable as of March 1, 2017
- Items removed and items added to the Published Price List
- All saleable items with pricing

Streamlight remains committed to providing our distribution partners and mutual customers with the broadest product line of professional grade lighting products. Our new product line-up for 2017 is strong and we look forward to another great year.

Best Regards,

Michael F. Dineen
Vice President, Sales & Marketing
Streamlight, Inc.

6/2/2017

To Our Dealer Partners:

Due to an increase and rising labor costs, we will be raising the wholesale prices on several items in our line. The effective date for our wholesale price changes will be May 1, 2017.

As always. We thank you for your business and continued support of TRU-SPEC and Five Star Products.

With best regards,

Steve Riera

Re: VF Imagewear 2017 Pricing

This letter is to address pricing that will go into effect February 1, 2017. We will incur a slight increase in our prices by brand:

- Red Kap – average of 2.0%
- Bulwark – average of 1.6%
- Horace Small – average of 3.0%

The adjustment was taken in response to rising fabric costs primarily driven by cotton, significant labor increases in manufacturing due to competition and inflation, as well as overhead increase due to energy costs.

It is important to note that hem charges in both the Red Kap and Bulwark lines will be eliminated.

Please know that we take our responsibility to control pricing very seriously. We will continue to work hard with our supplier partners, our manufacturing plants and with our management staff to find ways to lower our total costs.

Thank you for your business.

Sincerely,

VF Imagewear

November 16, 2016

Dear Workrite Uniform Co. Customer:

Thank you for your continued business with Workrite Uniform Company.
We look forward to continuing to serve your flame-resistant clothing needs.

Workrite Uniform Company strives to keep our prices competitive and often absorbs cost increases. Over the past year, as you may be aware, a number of conditions have contributed to rising costs. As a result you will notice a very modest price increase January 1, 2017 on our Workrite FR, Workrite FR Fire Service and Dickies FR products. We are confident you will find our products and services remain competitive. Keeping prices competitive, while maintaining industry leading levels of quality and durability, continues to be our top priority.

For additional information, please contact our customer support team by email (info@workrite.com) or phone (800-521-1888).

Regards,
