Re: FY18 Maintenance Renewal Award

At the request of the Purchasing Department, Information Technology is requesting Commissioner Court to authorize the renewal award for current VMware software maintenance to Dell USA L.P. as the lowest cost vendor. The FY18 renewal is budgeted as part of the non-departmental budget request. The cost of the maintenance agreement is \$90,179.89.

This line item is included as part of the approved and adopted FY18 maintenance budget.
