Re: Easement from the United States Army Corps of Engineers for Expansion of
Park Boulevard across Corps Property on the South Side of Lavon Lake
EASEMENT NO. DACW63-2-18-0705

The Engineering Department requests Commissioners Court's approval of an easement from the United States Army Corps of Engineers for expansion of Park Boulevard across Corps property. This easement would facilitate future construction of Park Boulevard between F.M. Highway 2514 (Parker Road) and State Highway 78.

There is also a \$1410 administrative fee associated with the Corps processing this easement request.

If approved, Judge Self's execution of the attached easement document and authorization to pay the above referenced fee is requested.

We will be available to answer any questions you might have regarding this matter.
