Re: Mass Gathering Permit/Vintage Market Days

I have reviewed the attached Mass Gathering Permit for "Vintage Market Days". Vintage Market Days is an annual event coordinated and held at Myers Park on November 16-18, 2018. The permit appears to be similar as in the past and will be operated the same manner as previous events.

I have reviewed the application submitted by the promoter. Myers Park is in charge of security and coordinates security with Captain Thompson. I do not see a need for an outside employer request because Myers Park is a county-owned and operated facility.

I have no objection to the issuance of the permit.
