Re: Josephine Inter Local Agreement – N. Greenville Ave.

Public Works construction crews are in the process of reclaiming Hubbard Rd. in Josephine pursuant to an agreement between Josephine and the County approved by Commissioner's Court on July 31, 2018. The Court approved Josephine's request to pay for the improvements over a five year period.

Josephine has requested that County forces extend the reclamation work to include N. Greenville Ave from Hubbard to the city limit line (request letter attached) and to add the \$60,632 cost of this work to the five year payment plan. To optimize equipment utilization and due to time constraints, County Officials authorized the amended scope of work for the Josephine project in late September.

The Budget Office prepared the attached revised amortization schedule to compensate Collin County at 2.80% over the agreed upon term of 5 years (60 months).

Public Works will deliver a final product that meets all County Road Standards. However, due to many intrinsic variables including:

- Inclement Weather
- Traffic patterns
- Soil conditions
- Future road maintenance
- Trees and drainage maintenance

Public Works will not provide a warranty for roads reconstructed within or adjacent to the Josephine boundaries. (Please note on court order).
