At no time shall this transition period extend more than ninety (90) days beyond the original expiration date of the existing contract and any extension thereof.

4.4 Funding: Funds for payment have been provided through the Collin County budget approved by the Commissioners' Court for this fiscal year only. State of Texas statutes prohibit the County from any obligation of public funds beyond the fiscal year for which a budget has been approved. Therefore, anticipated orders or other obligations that may arise past the end of the current Collin County fiscal year shall be subject to budget approval.

4.5 Price Reduction: If during the life of the contract, the vendor's net prices to its customers for the same product(s) and/or services shall be reduced below the contracted price, it is understood and agreed that the County shall receive such price reduction.

4.6 Price Re-determination: The bidder is to submit a bid that will be fixed for one (1) year. On each anniversary date of the contract, the awarded vendor(s) may be granted a price re-determination. The anniversary date will be the day the contract was awarded by Commissioners' Court of each year. All requests for price re-determination shall be in written form, and shall be submitted at a minimum of sixty (60) days prior to anniversary date and shall include documents supporting price re-determination such as Manufacturer's direct cost, postage rates, Railroad Commission rates, Federal/State minimum wage law, Federal/State unemployment taxes, F.I.C.A, Insurance Coverage Rates, etc. The bidder's past experience of honoring contracts at the bid price will be an important consideration in the evaluation of the lowest and best bid. 4.7 Delivery/Completion/Response Time: Delivery time is an important consideration in the evaluation of the lowest and best bid. Delivery will be FOB to Collin County location as specified on each purchase order within 10 business days after receipt of order (ARO). Bidder shall state the number of calendar days required to place equipment at the County's designated location after receipt of order. All charges for standard delivery/freight are to be included in the bid price. Collin County will not accept any fuel surcharges on invoices.

4.8 Delivery Location: Locations for delivery will be stated on each purchase order.

4.9 Approximate usage: Estimated annual quantities are given for each item. Approximate usage does not constitute an order, but only implies the probable quantity Collin County will use. Items will be ordered on an as-needed basis. The annual estimated expenditure is \$255,000.

4.10 Evaluation and Award: Award of the contract shall be made to the responsive bidder(s) who submits the lowest and best bid meeting specifications. The County reserves the right to award bid in whole, by section/category, or by line item as the County deems in its best interest.

Bidders failing to provide the information necessary for the evaluation of the bid may be considered non-responsive.

Due to the extensive amount of evaluation required and the high number of bids usually received for these items, it may take up to ninety (90) days before a contract is awarded. Bidders will need to take this into consideration when providing pricing. Bid prices will be firm for twelve (12) months from the date of award. Price redeterminations will only be considered as stated in item 4.6.

4.11 Alternate Bids: Whenever the name of a manufacturer is mentioned, it is strictly for the purpose of establishing a standard of quality. A generic or alternate brand product of equal specifications may be proposed as an alternative for the item identified. However, in bidding the alternate item, the bidder must also attach manufacturer's printed specifications and literature.

Bidders submitting alternate items, of equal specifications, may be requested to provide samples of the item they intend to supply for testing. The Purchasing Agent of Collin County shall be the sole judge to determine whether the alternate item is actually equal to the item identified in the specifications and the Purchasing Agent's decision will be final and binding.

4.12 Percentage Discount Off Current Published Catalogs: The County is also requesting the bidder to provide a percentage discount off the current published catalog price for items not listed in this Janitorial Supplies IFB. Bidder shall provide a link to their online catalog or a current catalog/price list of janitorial supply items, available to Collin County, to which the percentage discount shall be applied and it shall become part of the bid and subsequent contract. The net pricing to Collin County (catalog price less offered discount) shall be consistent throughout the contract period. Any catalog pricing change shall reflect increases/decreases as reflected in the current catalog(s) at the time of the annual anniversary date and the percentage and the percentage discount shall remain in effect.

The purpose of this discount is to allow Collin County to purchase items in the manufacturer's catalog at the discounted price.

The successful vendor's proposed catalog must offer a full range of Janitorial Supplies including common brand name items.

4.13 Product Requirements: All chemicals, ingredients, products or by-products used in the manufacturing of supplies in this IFB shall have EPA approval and the final product must have a "Product Registration Number" and a "Producer Establishment Number", as assigned by the EPA, where applicable.

Successful bidder must comply with US Department of Labor Occupational Safety and Health Hazard Communication 1910.1200 in using chemicals, provide necessary material data sheet(s) for chemicals(s) used, and meet all requirements of labor laws.

4.14 Material Safety Data Sheets: MSDS sheets shall be included with applicable products when delivered to Collin County.

4.15 Packaging Size: It is understood that standard packaging may vary by bidder and orders shall be placed by standard packaging unit quantities. Bidder shall indicate how each bid item is packaged including the number of units per case and the size of units by ounces or gallons or as applicable, and the number of products per unit count.

4.16 Supplier Product Code Number: Bidder is requested to state in the spaces provided the supplier product code number assigned to each product by bidder's company for ordering purposes.

4.17 Samples: During the evaluation process, bidders may be requested to provide samples of items bid at no additional cost to the County. These samples will be used to determine that the product bid does meet the specifications as listed in this invitation for bid. Samples of items not meeting the specifications will not be considered for award.

4.18 Cooperative Purchasing: Governmental entities utilizing governmental contracts with Collin County will be eligible, but not obligated, to purchase necessary materials and supplies under contract(s) awarded as a result of their solicitation. FOB Destination prices will apply only to delivery points specified in these documents. Delivery to FOB points may include applicable freight charges. Any additional incremental costs for delivery must be clearly stated in quotes to participating entities before order is placed. All purchases by governmental entities other than Collin County will be billed directly to that governmental entity and paid by that governmental entity. Collin County will not be responsible for other governmental entity's debts. Each governmental entity will order their own material as needed. The quantities furnished in this bid document are for Collin County only. It does not include quantities for any other governmental jurisdiction.
