Re: Reallocating Funds

We respectfully request Commissioners' Court approval to transfer \$50,936.76 from Federal Forfeiture Funds to purchase the following:

LPR Trailer (divided equally between Rockwall SO & CCSO)	\$23,685.00
Air-card for ELSAG System 12 months @ \$37.99	\$ 455.88
<u>ELSAG System</u>	<u>\$26,795.88</u>
TOTAL	\$50,936.76

CCSO will incur the total cost for the purchase and installation of the ELSAG system on the LPR trailer which includes 1 year of data service. The Rockwall County SO will incur the total cost of a Vigilant LPR system which will be installed on the same LPR trailer. This will enhance the intelligence gathering and enforcement capabilities of the North Texas Sheriffs' Criminal Interdiction Unit as they interdict narcotics, dangerous drugs, and human smuggling. Rockwall County SO will reimburse Collin County SO one-half of the total purchase prices of the trailer and services.
