Re: Amending court order for emergency/safety equipment for constable vehicles

- This is to request authorization to change the FY 2016 Budget Workshop minutes/court order of emergency/safety equipment installed on Constable's vehicles. Currently the equipment is installed on Ford Taurus and will transition to Ford Explorer's. Requesting the emergency/safety equipment to reflect the new vehicle transitions so the Constable vehicles can be equipped with standard county emergency/safety equipment as other department emergency vehicles.
