Re: Residential Services Agreement

The Collin County Juvenile Probation Department, acting through the Collin County Juvenile Board has entered into an agreement for residential services with Faithful Friend, a chartered organization. Faithful Friend will use highly trained service canines to work with youthful offenders committed to the post-adjudication program. Discernable impact will include improved scholastic scores, reduction in incident reports, and reduced recidivism of participating youth. Trained service canines used in the program will be placed with disabled servicemen and women in Collin County.

Respectfully,

H. Lynn Hadnot, Director
Collin County Juvenile Services
