Pursuant to Section 7 below, Apple makes no warranty as to whether such downloads will accrue to Your or Transferor's account.

f. You acknowledge and agree that to the extent the Transferred App is associated with one or more existing App Bundles associated with Transferor's developer account, such App Bundles are not part of the App Transfer Service and shall not be associated with Your developer account. For the sake of clarity, you may create a new App Bundle including the Transferred App after the Execution Date.

g. You and Transferor agree to ensure that end-users of the Transferred App are informed of any changes to the Transferred App's Terms and Conditions, End User License Agreement, and Privacy Policy resulting from the transfer as required by law, and You and Transferor assume all liability for compliance with local law in connection with the transfer for each territory in which the Transferred App has been made available.

h. In the event of a dispute relating to the transfer of a Licensed Application from Transferor to You, including without limitation allegations of fraudulent or unauthorized transfers, You hereby authorize Apple to take such steps as it deems reasonably necessary in its sole discretion to resolve the dispute.
