GENERAL DISCUSSION

5. AI-45772 Award Insurance, Life and Accidental Death and Dismemberment (RFP No. 2018-340) and selection of plan option 1 or plan option 2, Human Resources.

Cynthia Jacobson, Human Resources, came forward with a PowerPoint slide on the Basic Life Insurance proposal. The County currently has life insurance through TCDRS (Texas County and District Retirement System), but their rate is higher than what is available in the open marketplace. However, going into the open marketplace would require some changes. These changes include the elimination of the \$5,000 death benefit for retirees and elimination of coverage for state employees. Ms. Jacobson said they went through the entire bid process for policies for both 1x base salary plus \$50,000 and 1.5x base salary plus \$50,000.

Commissioner Williams would like the Court to consider the 1.5x base salary proposal because the cost differential is small and there would be a lot of value for the additional cost. Commissioner Webb agreed. Commissioner Hale would like to do something for retirees to make up for the loss of the \$5,000 death benefit. He suggested a whole life policy. Ms. Jacobson said the estimate for a policy for a retiree would be between \$800 and \$1,500 totaling approximately \$52,000 per year. This was based on an average of 35 individuals retiring each year using the higher cost of \$1,500. Ms. Jacobson's recommendation, if this is what the Court selects, would be to do this as a payment to the retiree. It could be either a flat rate or based on years of service. Judge Self said the number of retirees would be fewer than 35 because this number includes CSCD (Community Supervision and Corrections Department) employees and district judges who are not eligible for this benefit once TCDRS ends.

Commissioner Hale suggested buying a policy on behalf of the retiree on the last day of their employment with the County. This would be a single-premium policy for a face value of \$5,000. Commissioner Webb asked for the cost for this. Ms. Jacobson said the current vendor does not provide this type of policy but did provide the estimate of \$800 to \$1,500 per policy. There are currently 671 retirees on TCDRS, and Ms. Jacobson has no mechanism to do something for the individuals who have retired prior to this time. Commissioner Fletcher preferred the option of a lump sum payment allowing the retiree to purchase the \$5,000 life insurance policy themselves or use it for their retirement in a different way.

A motion was made to approve a 1.5x base salary plus \$50,000 for life insurance purchased through Gary Insurance Services. (Time: 6:11 p.m.)

7. AI-45660 86th Legislative Agenda for 2019, Commissioners Court.

Commissioner Williams said on December 10, 2018, the Collin County Behavioral Health Coalition is having a legislative meeting with some of the legislators prior to the Court's legislative agenda meeting. There will be presenters from law enforcement, educators and providers, and the Commissioner suggested the Court may want to incorporate some of the items from this meeting.

Commissioner Fletcher said the Government and Finance section of the CUC (Conference of Urban Counties) policy platform has some good things. They will be advocating for no more unfunded mandates and also to confirm Commissioners' Court authority over County budgets and contracts.

Judge Self referenced page 329 of the Court packet and asked if using the term "ad litem" meets the entire criteria that the Court wants to address. Bill Bilyeu, County Administrator, said the Court may want to add Indigent Defense. Commissioner Williams said ad litem issues have no requirement for a plan or limits. At a minimum the Court would want

something similar to the Indigent Defense plan for some accountability. Judge Self added legislative relief on Indigent Defense as a separate item to the legislative agenda.
