Re: Authorization to Award a Contract for Construction of Concrete Drives and
Parking Areas at Myers Park, 07PG97

The Engineering Department requests Commissioners Court's authorization to award a contract in the amount of \$1,290,060.20 to D.D.M. Construction Corporation for construction of concrete drive and parking areas at Myers Park.

D.D.M. is the lowest qualified bidder based on our engineer's evaluation of the bids, contractor qualifications and references.

It is anticipated that construction will begin in January with substantial completion by July 2019.

The following budget adjustment is necessary to establish the budget:
