The DDM Construction Corp bid proposal was complete and were the apparent low bidder.

We reached out to ten references and received feedback from four. We questioned each reference with respect to:

- Adherence to the schedule
- Communication between the superintendent and Owner
- Accuracy of pay applications
- Work site safety and cleanliness
- Compliance with the contract documents
- Addressing warranty items

All four references provided positive responses. We have no substantial reason to reject the DDM Construction Corp bid and therefore recommend awarding the Collin County Myers Park Roadway & Parking Lot Improvement Project to DDM Construction Corp.

If you have any questions, please let me know.

Sincerely,
