Re: Mass Gathering Permit – The Garden Show 2019

The Mass Gathering Permit for the Garden Show 2019 to be held March 17-18 at Myers Park has been approved by the Sheriff's Office in regards to security and the traffic plan.

I reviewed the documents and worked the event myself in the past; I feel the security will take two people.

As long as the Collin County Fire Marshal approves the event, I see no reason to object to the issuance of the Mass Gathering Permit. The traffic plan is a sound consideration to accommodate the coming and going of people effectively.
