Amendment No. 6 makes changes to the scope and fee in the original agreement. At the direction of the County, the Amendment changes are summarized as follows:

- 1. Eliminate the design, bid and separate construction phase services for the Prairie Crossing Road element of the project.
- 2. Replace the Prairie Crossing Road design services with the integrated Temporary North Service Road as shown on the attached Concept Layout.
- 3. Revise the plat and field note descriptions for all parcels affected by the change outlined above. This includes, but is not limited to Parcel 2B, Parcel 3, Parcel 3, Parcel 5, Parcel 7 and Parcel 8.
- 4. Revise and re-publish the Right-of-way Strip Map to reflect the changes in the land rights parcels caused by the North Service Road alignment change.
- 5. Additional field surveys required for topographic surveys and pulling up and re-setting corner monuments set for right-of-way on the above described parcels.
- Due to the revised North Service Road segment of the project, additional archaeological field surveys on 3.5 acres and updated filing with the Texas Historic Commission required for the NCTCOG Environmental Form.
- 7. Reduce the number of buildings evaluated for asbestos from 4 to 1 each.
- 8. Defines the limits of proposed sidewalks to be included in this project.
- Adds Level A Subsurface Utility Locates (Level A SUE) for the Atmos Gas Transmission, Cos-Serv gas main and the Grayson-Collin Electric conduit crossings of Frontier Parkway.

RE: Frontier Parkway Engineering Services Agreement Collin County Contract No. 2016-229 Collin County Purchase Order No. 199212 Amendment No. 6

Dear Mr. Daugherty:

As you requested, we are pleased to submit Amendment No. 6 to our Engineering Services Agreement with Collin County dated Sept. 27, 2016 (Collin County Purchase Order No. 199212) for the design of Frontier Parkway, from the Dallas North Tollway (DNT) to S.H. 289 (Collin County Contract No. 2016-229).

This Amendment No. 6 makes changes to the scope and fee in the original agreement. At the direction of the County, the Amendment changes are summarized as follows:

- 1. Eliminate the design, bid and separate construction phase services for the Prairie Crossing Road element of the project.
- 2. Replace the Prairie Crossing Road design services with the integrated Temporary North Service Road as shown on the attached Concept Layout.
- 3. Revise the plat and field note descriptions for all parcels affected by the change outlined above. This includes, but is not limited to Parcel 2B, Parcel 2C, Parcel 3, Parcel 4, Parcel 5, Parcel 7 and Parcel 8.
- 4. Revise and re-publish the Right-of-way Strip Map to reflect the changes in the land rights parcels caused by the North Service Road alignment change.
- 5. Additional field surveys required for topographic surveys and pulling up and re-setting corner monuments set for right-of-way on the above described parcels.
- 6. Due to the revised North Service Road segment of the project, additional archaeological field surveys on 3.5 acres and updated filing with the Texas Historic Commission required for the NCTCOG Environmental Form.
- 7. Reduce the number of buildings evaluated for asbestos from 4 to 1 each.
- 8. Defines the limits of proposed sidewalks to be included in this project.
- 9. Adds Level A Subsurface Utility Locates (Level A SUE) for the Atmos Gas Transmission, Cos-Serv gas main and the Grayson-Collin Electric conduit crossings of Frontier Parkway.

Mr. Clarence Daugherty, P.E. Frontier Parkway Engineering Services Agreement – Amendment No. 6 February 21, 2019 Page 2 of 7

Scope Changes – Amendment No. 6

A. LUMP SUM SCOPE ITEMS: (Base Portion 4A)

Part I – Design Services

Part 1.B. (Final Design)

The final design effort now includes the design of the Temporary North Access Road and a portion of Light Farms Road A as shown on **Exhibit No. 1** attached hereto.

The following Scope Items added under Amendment No. 5 are hereby eliminated from this project.

Part I.E. (Prairie Crossing Design Phase):

Includes design phase for Prairie Crossing Road to be bid as a separate project in advance of the Frontier Parkway Improvements project and to coordinate with the Frontier Parkway Improvements project related to phasing and drainage revisions resulting from the separate bid package.

NOTE: Item Part I.E. above was 80% complete when directed by the County to stop work on this scope element and has been billed accordingly.

Part I.E.a. (New Task Item Prairie Crossing Bid Phase):

Includes bid phase services for Prairie Crossing Road to be bid as a separate project in advance of the Frontier Parkway Improvements project and to coordinate with the Frontier Parkway Improvements project related to quantities and specifications from the separate bid package.

Part I.E.b. (New Task Item - Prairie Crossing Construction Phase):

Includes construction phase services for Prairie Crossing Road bid as a separate project in advance of the Frontier Parkway Improvements project and separate assistance with submittal reviews, pay requests, change orders and other construction phase services in the current agreement.

B. ADDITIONAL SERVICES SCOPE ITEMS:

Part B.1.–Field Surveys:

Additional scope to survey for revised temporary north service road design; and setting new right of way corner monuments for revised right-of-way requirements.

Part B.2.- Plat and Field Note Descriptions:

Revise the plat and field note descriptions for all parcels affected by the change outlined above. This includes, but is not limited to Parcel 2B, Parcel 2C, Parcel 3, Parcel 4, Parcel 5, Parcel 7 and Parcel 8. Revise the project Right of Way Strip Map to reflect the changes outlined above.

Part B.5. – NCTCOG Environmental Form:

Revise the project limits to encompass approximately 3.5 acres of additional/revised area due to the North Service Road re-alignment.

Part B.8. – Asbestos Evaluations: Revise the number of buildings evaluated from 4 to 1 each.

Part B.15. – **Level A SUE**: Field excavate and locate the top of pipe on both the north and south sides of Frontier Parkway for the following utilities know to cross under existing Frontier Parkway:

Mr. Clarence Daugherty, P.E. Frontier Parkway Engineering Services Agreement – Amendment No. 6 February 21, 2019 Page 3 of 7

- 1. Atmos 20-inch Gas Transmission Main.
- 2. Co-Serv Gas Main (size unknown)
- 3. Grayson-Collin Electric 4-inch conduit.

All field locates will be performed by our sub-consultant, Axis Construction LP of Ft. Worth, Texas utilizing hand excavation with a vacuum truck to locate the lines.

C. OPTIONAL SERVICES SCOPE ITEMS:

Part C.4.–Sidewalks and ramps: Revise the scope limit as shown on the Exhibit No. 1 – Sidewalk scope limit exhibit.

PROJECT SCHEDULE

Due to delays caused by the re-configuration of Prairie Crossing and the eventual direction to re-design this element of the project, this Amendment 6 revises the Project Schedule as shown on **Exhibit B** attached hereto.

CHANGE IN FEE

The fee schedule is hereby modified by the amounts shown under the column heading "Amendment No. 6" on the "Exhibit C – Fee Schedule" that follows.

Mr. Clarence Daugherty, P.E. Frontier Parkway Engineering Services Agreement – Amendment No. 6 February 21, 2019 Page 4 of 7

If this Amendment No. 6 to our original agreement dated September 27, 2016 meets with your approval, please have one set executed for Collin County and returned to our office. We look forward to our continued work on this project with you and your staff.

Sincerely,

Gary C. Hendricks, P.E., R.P.L.S.

Potential Schedule Delaying Factors (Outside Consultant Control)

Time to obtain permission to survey is shown as 1month. Delays in obtaining permission to enter for survey purposes will extend the schedule accordingly. $Interim\ reviews\ are\ shown\ for\ a\ duaration\ of\ 2\ weeks\ and\ longer\ review\ time\ will\ extend\ the\ schedule\ accordingly.$

Time to obtain right-of-way and easements is shown as 12 months. Additional time required to obtain land rights will extend the schedule accordingly. Utility Company Relocations could take more than 8 months shown & usually will not begin until all right-of-way and easements have been acquired.
